- Administered homework and weekly quizzes through Pearson MyLab and Canvas; coordinated a teaching assistant for review sessions and grading.
- Learned to design courses for undergraduate audiences: aligning assessments with lectures, keeping grades visible, and pacing material to the class.

Teaching Assistant, Iowa State University

ECON 1020: Principles of Macroeconomics **Spring 2026, Fall 2023**

ECON 2070: Quantitative Methods in Economic Analysis I **Fall 2025**

ECON 1010: Principles of Microeconomics (lab and online sections) **Fall 2022 – Winter 2024**

- Led recitations, weekly quantitative labs, and pre-exam review sessions across principles and intermediate courses; designed and graded quizzes and exams.

- Ran fully online and accelerated sections, including a one-month asynchronous course with recorded review sessions, live Q&A, and virtual office hours.
- A faculty observer highlighted my success in getting students to answer questions in class, and course evaluations included requests for more of my instruction.
